RE: Reaffirming Support for All Students, Regardless of Immigration Status

Dear NSHE Presidents,

As student leaders and elected representatives of our respective institutions, we are committed to ensuring that all students, regardless of their immigration status, are supported and provided with the resources they need to succeed. In light of the current political climate, we urge you to reaffirm your dedication to maintaining a safe, inclusive, and welcoming environment for every student within your respective institutions.

Undocumented students face barriers that put their education and well-being at risk. Our campuses can help by informing students of their rights, expanding access to legal aid and immigration support services, and strengthening partnerships with community organizations committed to this work. Providing clear information for our immigrant students and their families about available legal assistance ensures they can connect with knowledgeable professionals. Taking proactive steps to support these students reaffirms our commitment to fostering an inclusive and secure learning environment.

In this spirit, we encourage you to work closely with student bodies and community groups to ensure that your campuses continue to be supportive and inclusive spaces. This collaboration will ensure that the diverse voices and experiences of all students are heard, valued, and protected.

We are grateful for the leadership you have already demonstrated in supporting students, and we thank you for your ongoing commitment to fostering an environment of inclusivity and respect. As representatives of Nevada's student body, we are committed to working alongside you to ensure the safety and success of all students, no matter their background or immigration status.

Thank you for your time and attention to this critical matter.

Sincerely,

Kevin Osorio Hernández, NSA Chair _____

Dawson Deal, NSA Vice Chair _____

Janeth Vances-Balvas, NSA Secretary _____

**NEVADA STUDENT ALLIANCE
NEVADA SYSTEM OF HIGHER EDUCATION**

**A RESOLUTION SUPPORTING THE FINANCIAL INDEPENDENCE AND AUTONOMY
OF STUDENT GOVERNMENTS OF THE NSHE**

February 14, 2025

WHEREAS, the Nevada Student Alliance (NSA) recognizes that student governments serve as the primary representatives of the student body, actively advocating for student interests, funding student-led initiatives, and fostering an environment of growth and development on their respective campuses;

WHEREAS, the autonomy of student governments is crucial to ensure that student leaders can effectively address the needs of their constituents without undue institutional influence or consequence of association;

WHEREAS, the inclusion of consideration of student government fees within general institutional fees risks limiting the scope of student governments' ability to rightfully manage their own budgets and/or request expansions to their budget to address student needs;

WHEREAS, separating the consideration of student government fees from those of the general institution enhances transparency for accountability, enables oversight into more directive change, and independent revisions of budgetary adjustments;

WHEREAS, many student governments across the nation operate with institutional and financial independence, ensuring that consideration for their respective initiatives remain at the forefront of the decision-making process; and

WHEREAS, NRS 396.547 provides for contingent independence. Separate consideration for student-led initiatives/fund requests at the Nevada System of Higher Education (NSHE) Board of Regents meetings, apart from those proposed by the institution, provides detached deliberation and thought for student needs;

THEREFORE, BE IT RESOLVED, that the Nevada Student Alliance calls for the implementation of policies and safeguards to ensure that the consideration of student government fees remain separate and distinct from the consideration of institutional fees, protecting financial independence and reinforcing the autonomy of student governments.

1. **Independent Decision-Making:** We urge NSHE and the Board of Regents to provide separate and independent decision making concerning student government initiatives, irrespective of the requests of their parent institutions.
2. **Priority to Student-Led Initiatives:** We urge NSHE and the Board of Regents to consider prioritizing funding efforts supported by students, especially those regarding the future of student government, its advocacy, ability to operate, and the further well-being and welfare of their constituents.

BE IT FURTHER RESOLVED, that the Nevada Student Alliance remains committed to ensure that student governments enjoy the operating level of autonomy required to serve the needs of their respective constituencies, while fostering an environment and growth and prosperity for all.
